Day 1: Arrive Honolulu

Flight to Honolulu, Oahu. Boars our floating resort and home for the next 7 nights, NCL's charming "Pride of America".

Day 2: Maui

Welcome aboard! After a bountiful breakfast buffet, we suggest that you meet your fellow travellers in the ship chapel and then take the shuttle to Lahaina, a charming whaling town full of shops and restaurants. The restored Missionary House is also a very interesting place to visit.

Day 3: Maui, Optional Sightseeing, Free Time

Today is a day for you to choose a tour, the beach or return to town. Suggested tours would be the Iao Valley or a full day to Hana - a long and winding road, but well worth the many panoramic sights.

Day 4: Hilo, Volcanoes National Park

Included in your package is the tour to Volcanoes National Park, a sight that should not be missed. Standing at just over 4,000 feet, Kilauea is not the tallest volcano on the Big Island, but it's certainly the most active. Pass the Halemaumau Fire Pit and the Kilauea Iki Crater before stopping at the Thurston Lava Tube, where a short walk gives you the opportunity for an up-close view of an extinct lava tube. This tour also visits the Hawaii Volcano Observatory and Jaggar Museum. We return to Hilo for free time.

Day 5: Kona Hawaii, Optional Sightseeing, Free Time

Kona is a delightful town with many things to see. For the adventurer, we recommend the snorkel excursion or a glass bottom boat tour. Departing port this afternoon, we pass by the area famous for an active lava flow into the sea - a sight you do not want to miss.

Day 6: Waimea Canyon, Kauai

This morning we discover the breath taking gorge in the heart of Kauai, Waimea Canyon, often called the 'Grand Canyon of the Pacific.' This magnificent canyon in the heart of Kauai is 10 miles long, one mile wide and 3,400 feet deep, with a spectacular array of rainbow colours created by the reds and browns of exposed volcanic rock, mingled with the blues and greens of lush tropical vegetation. The remainder of the day is free with many things to do and see.

Day 7: Wailua River Cruise & Fern Grotto, Kauai

This morning we enjoy a drive through Lihue Town and head north along the dramatic coastline to the Wailua River. At the marina, you'll take a flat-bottom motor launch for your journey up Hawaii's longest navigable river. Disembark for a brief walk to the Fern Grotto, then board your motor coach and continue a bit further into the valley of the Sleeping Giant. From here, a short walk will bring you to Opaeka'a Falls. We return to the ship for lunch and free time.

Day 8: Oahu, Final Day

Today is free for you to sightsee or simply enjoy one last day in the tropics. An afternoon transfer will take you to the airport for your flight home. (Dependant on flight times and additional night in a Hotel may be requires).
